

COMMENCEMENT EXERCISES

MAY 20, 2005

FROM THE PRESIDENT OF THE UNIVERSITY TO THE CLASS OF 2005

Dear University of Colorado Graduate,

Congratulations to you – the University of Colorado class of 2005! This is an incredibly important and celebratory day for you and your family and friends. As you walk away from this campus, may you always remember that you will bring great distinction to this university as you advance your life journey.

The convergence of world complexities and the constant dynamics of daily life, presents an increasing need for new knowledge augmented with a greater level of civility and tolerance. The skills and experiences you gained at the University of Colorado, coupled with your commitment to your own future and the future of all global citizens, will help guide you to think critically, consider all the evidence before reaching a conclusion and treat others' positions with respect.

I believe these skills are critical components to future leaders of our nation and our world. I sincerely hope you continue to nurture and strengthen these valuable skills during your life.

I am confident that you have been well prepared to ardently pursue your ideals and to embrace the wisdom you have gained at CU while keeping your minds open to many different perspectives. Additionally, I have always believed that your ability to cope with change, by anticipating future needs and resolving future problems, will be critical to your professional and personal success.

We hope you have discovered or will soon discover a field that stirs your passions, because loving your work is the foundation of excellence and an important factor in your overall happiness.

CU is proud of you. We also are proud of our outstanding public service to Colorado citizens, which we have every intention of expanding to meet the state's changing needs. This year, you are graduating at a time when the state reached a landmark accord to address the budget challenges it has faced over the last three years. I appreciate the work of all our students who have helped advocate for a long-term budget solution. You have made a difference.

Congratulations again for attaining this joyous milestone in your life. I wish you future happiness and every possible success.

Sincerely,

Elizabeth Hoffman

(1) Oh Beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

(2) Hail, all Hail our Alma Mater
Ever will our hearts be true
You will live with us forever
Loyal we will be to you.
We will sing forever your praises
Ever more our love renew
Pledge our whole devotion to you
Dear Old CU!

THE PRESIDENTIAL CHAIN OF OFFICE

The Presidential Chain of Office was created in 1980 by Mary Sartor, M.F.A., University of Colorado, Boulder, for the inauguration of President Arnold R. Weber. The chain was a gift to the university by Mr. and Mrs. David G. Hawthorn, Class of '24.

Colorado gold and silver are used throughout the chain to symbolize the importance of those minerals to the history of the state. The gem stones chosen also consist entirely of minerals from Colorado.

Three pendants are suspended on the chain. The back pendant is the seal of the State of Colorado surrounded by a golden ribbon representing the golden Circle of Knowledge. The top pendant in the front, the seal of the University of Colorado surmounted by an arch set with diamond and topaz, signifies the necessary link between the search for knowledge and its practical application to the world outside the university. The seal is supported at the bottom by the laurel wreaths found in the seal, emblematic of honor and success.

The bottom pendant is centered with a golden topaz indicating man's quest for knowledge. The surrounding ring is paved with fragmented cubes and diamonds which suggest fragments of knowledge with brilliant breakthroughs of understanding.

The chain surrounding these pendants symbolizes the endless but ever-changing cycle of human knowledge.

THE UNIVERSITY SEAL

The University of Colorado has used three seals in its lifetime.

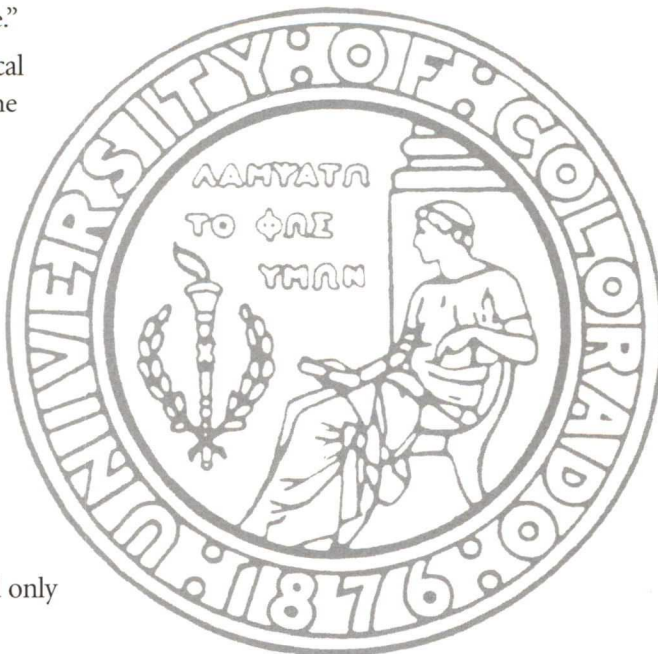

The present seal, adopted in 1908, depicts a classical Greek male figure seated against a pillar and holding a scroll. A burning torch framed in laurel is placed beside him. The Greek inscription means "Let your light shine."

According to Denver designer Henry Reed, the classical design was used because Greek civilization "stands as the criterion of culture." The laurel symbolizes honor or success, the youth of the figure suggests the "morning of life," and the scroll represents written language.

From 1893 to 1908, a seal was used which copies Wyon's medallion, "Science Trims the Lamp of Life." The classical figure of a kneeling Greek woman was flanked by mariposa lilies, which President Baker described as "a true Colorado flower."

Before 1893, a seal was used which essentially copies the Colorado state seal. It was never adopted by the Regents.

The official seal of the University of Colorado is used only by the Regents in transmitting official business.

THE NORLIN CHARGE TO GRADUATES

(From the baccalaureate address by President George Norlin, of the University of Colorado, June 1935)

“You are now certified to the world at large as alumni of the university. She is your kindly mother and you her cherished sons and daughters.

This exercise denotes not your severance from her, but your union with her. Commencement does not mean, as many wrongly think, the breaking of ties and the beginning of a life apart. Rather it marks your initiation in the fullest sense into the fellowship of the university, as bearers of her torch, as centers of her influence, as promoters of her spirit.

The university is not the campus, not the buildings on the campus, nor the faculties, nor the students of any one time — not one of these or all of them. The university consists of all who come into and go forth from her halls, who are touched by her influence and who carry on her spirit. Wherever you go, the university goes with you. Wherever you are at work, there is the university at work.

What the university purposes to be, what it must always strive to be, is represented on its seal, which is stamped on your diplomas — a lamp in the hands of youth. If its light shine not in you and from you, how great is its darkness! But if it shines in you today, and in the thousands before you, who can measure its power?

With hope and faith, I welcome you into the fellowship. I bid you farewell only in the sense that I pray you may fare well. You go forth, but not from us. We remain, but not severed from you. God go with you and be with you and us.”

ACADEMIC DRESS

The tradition of the academic costume began during the twelfth or thirteenth century in the early European universities. Since the clergy composed the majority of the educated class, academic dress is an adaptation of the cape or mantle which was usually of silk or wool and worn by church dignitaries in religious processions.

Through the years, great diversity in color and in style of cap, gown and hood developed. In 1896, the colleges and universities in the United States adopted a uniform code governing academic dress. Today, the black gown, hood, and mortar board worn by the graduates in most institutions follow this code.

While it is not apparent to the casual observer, the gowns worn by the recipients of the various degrees vary somewhat in design. The sleeves of the gown worn by the baccalaureate candidate are long and pointed, while the sleeves of the gown worn by the master’s degree recipients are square at one end with a slit at the elbow. The doctor’s gown has flowing sleeves with three bars of velvet, and facing of velvet down the front of the gown.

Those who receive a master’s or a doctoral degree from the University of Colorado wear hoods lined with the school colors, silver and gold. The hood worn by the doctoral candidate differs in design from that of the master’s as it has side panels and is slightly longer. The velvet border of the hood indicates the degree and usually follows the same code as the color of the tassels.

The oxford cap, usually referred to as a mortar board, is black and has a long tassel which is fastened by a button on the top. Candidates for the baccalaureate degree wear the tassel pendant over the right front of the cap before the degree is conferred, then it is worn on the left side. Summa Cum Laude and special honors candidates will wear gold honor cords.

HONORARY DEGREES AND AWARDS

HONORARY DOCTORATE OF HUMANE LETTERS

WILLIAM HYBL

As Chairman and CEO of El Pomar Foundation, William “Bill” Hybl is one of Colorado’s most notable leaders behind one of the largest and most powerful philanthropic entities in the Rocky Mountain region. Bill Hybl

has excelled both regionally and nationally, and through his efforts El Pomar has provided millions of dollars to the University of Colorado, most notably to UCCS.

In 1998, he orchestrated El Pomar’s pledge of \$4 million for El Pomar Center, which has become a major campus focal point.

In 2002, Mr. Hybl facilitated a \$1.15 million grant from El Pomar to acquire a new building to house the Beth El College of Nursing. Classroom space to train nursing students is essential, as the Colorado Springs community is currently experiencing a critical shortage of nurses.

El Pomar has funded hundreds of thousands in student scholarships over the past five years to benefit scholars in the Chancellor’s Leadership Program, a program of the Colorado Leadership Alliance.

Not only has Mr. Hybl made key contributions to UCCS, he has also devoted his life to serving our community, state, and nation. Mr. Hybl is president emeritus of the U.S. Olympic Committee and currently serves as Chairman/CEO of the U.S. Olympic Foundation; was appointed by President George W. Bush as U.S. representative to the 56th General Assembly of the United Nations; served as Vice-Chairman of the U.S. Advisory Commission on Public Diplomacy; was Special Council to President Ronald Reagan; and served in the Colorado House of Representatives.

Mr. Hybl has served on numerous boards and has received dozens of regional and national awards and honors. In 2004, he was inducted into the Colorado Business Hall of Fame, and in 2003, he was named the Citizen of the West at the National Western Stock Show. Other awards include: Ellis Island Medal of Honor, Boy Scouts of America Distinguished Eagle Scout, U.S. Olympic Committee General Douglass McArthur Award, American Institute of Public Service Jefferson Award, U.S. Army Distinguished Service Award, City of Pueblo Hall of Fame, and the University of Colorado Distinguished Service Award.

For his many achievements and significant contributions to UCCS, as well as his many contributions to his community, state, and nation, the University of Colorado Board of Regents is proud to award William Hybl the degree Doctor of Humane Letters, *honoris causa*.

UNIVERSITY MEDAL

SHARON BERTHRONG

Not only is Sharon Berthrong a friend, supporter, and good neighbor of UCCS, she is a Colorado Springs treasure. Sharon provides dedicated, energetic, selfless and well-informed service to her city and its citizens, and she is an outstanding representative

of the University in her pursuits of excellence.

Sharon received both her graduate and undergraduate degrees from UCCS and has served tirelessly to ensure that the campus retains its reputation of offering an exemplary education to its students.

Sharon was instrumental in developing the program for the Karen Possehl Women’s Endowment (KPWE) and has served as its chair since its inception in 1998. KPWE provides financial aid to non-traditional women students on the UCCS campus. She has worked diligently to raise funds for this ever-important scholarship, and through this program she has mentored numerous women. Sharon’s compassion does not stop there. Sharon and her late husband, Morgan, adopted two children and, for several years, opened their home to unwed mothers.

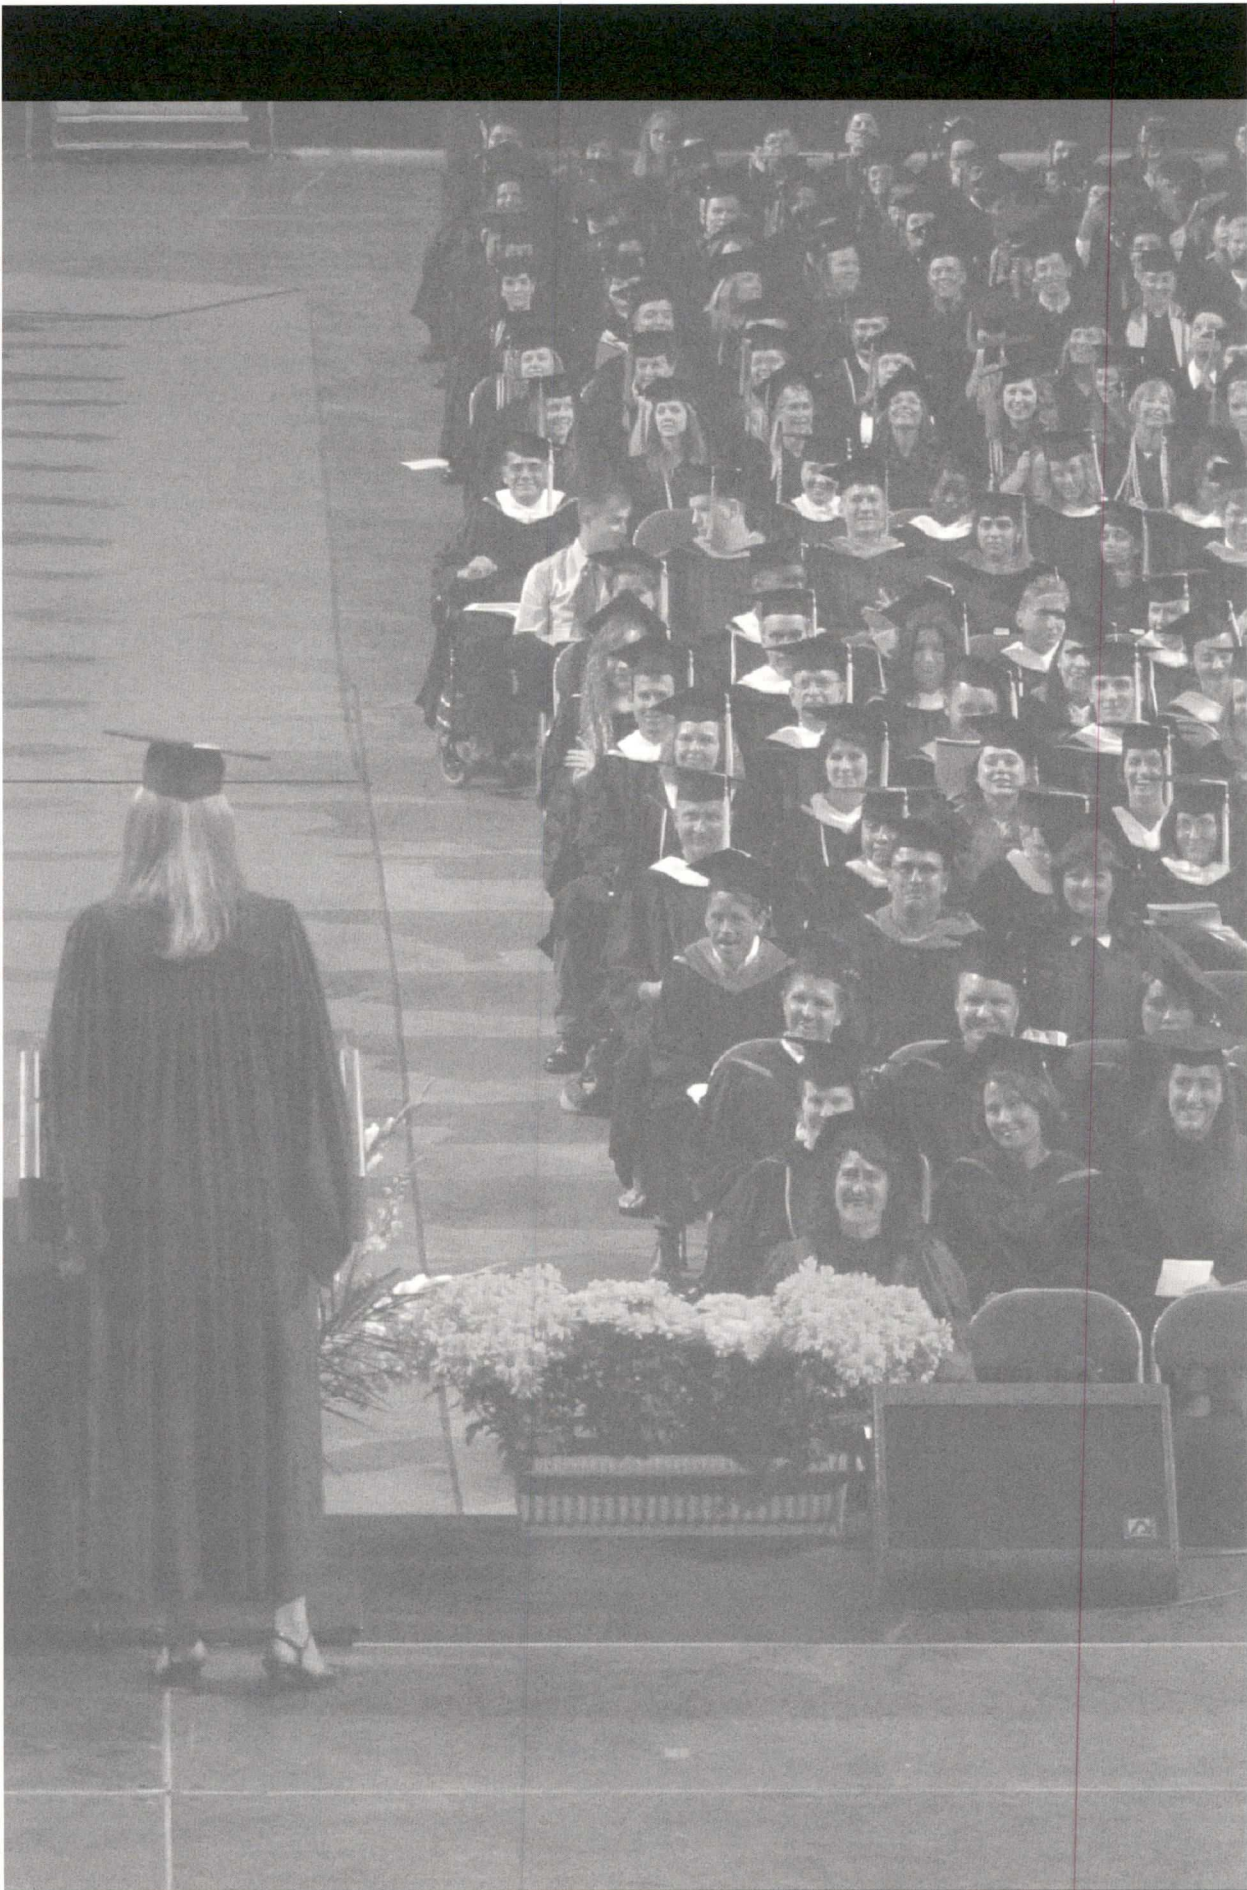

Sharon served on the University of Colorado Foundation’s board of directors from 1996-2002, and currently serves

as a member of the fundraising advisory board for UCCS. She is also a member of the College of Letters, Arts and Sciences Advisory Board.

Besides Sharon’s outstanding dedication to UCCS, she has been active in the Colorado Springs community. Always a strong voice for democracy, freedom of speech, and equality, Sharon never fails to stand tall behind her beliefs, as evidenced by her service as a Democratic Party committeewoman for the past 30 years. Her other community activities include Citizens Project, funding panel of the Gay and Lesbian Fund for Colorado, the Citizens Committee for Public Health, and Executive Women International.

Just last year, Sharon was one of a small group of women who founded Artemis, a group for women who are concerned about the local community and want a vehicle to evaluate the issues and find ways to impact those issues more effectively. Starting with six founders, the group attracted more than 250 members in just six months.

Sharon’s personal and professional accomplishments are testimony to her unparalleled dedication and support of the University of Colorado at Colorado Springs and the Colorado Springs community. In honor of her many contributions and steadfast support, the University of Colorado Board of Regents proudly presents Sharon Berthrong with the University Medal.
